

# WHY CHOOSE

## Compressed Assets

- ✓ All machines placed are **New**
- ✓ **1½ HP** compressor versus ½ - ¾ HP units.
- ✓ A **1½ HP** compressor can better handle the SUV's and large trucks on the road.
- ✓ More Horsepower = **Happy Customers**
- ✓ All units include **Non-resettable coin counter** to guarantee that you, the store owner is being paid the correct commissions
- ✓ Newer units invoke confidence in store location and helps build customer loyalty and also will have less downtime.
- ✓ Extra Security = Less Vandalism
- ✓ **Locally owned and operated.**
- ✓ Maintenance of the machines will be done quickly and efficiently.
- ✓ Does your current Air Vendor care about your business? **We Do!**
